To determine the eligibility of your student for our Interscholastics Fee Assistance Program, please refer to the chart above.

- Find your household size on the left side of the chart and follow the line to the income columns. Income columns represent the combined income of the household.
- If your income is equal to or less than the amount on the chart, your student qualifies for a full fee assistance scholarship for Interscholastics activities.
- If your income is more than the amount on the chart, your student is not eligible unless you have extenuating circumstances.
- Students are eligible for up to two fee assistance scholarships per school year, depending on available funding.
