

## A Legacy of Excellence College Scholarship Program

A Legacy of Excellence (ALOE) was founded with the intent to empower and invest in the future of African American students in the Tucson Unified School District (TUSD). By providing scholarships to graduating seniors who have achieved academically, are active in their community, and aspire to go on to higher education, we are fulfilling our vision of creating an equitable future for all and fulfilling the intent.

Since ALOE's founding in 2010, we have awarded scholarships to 100+ students, totaling over \$300,000 in financial support. These scholarships have made a significant impact on the lives of our students and their families, helping them to realize their dreams of a college education. Unfortunately, many students face significant financial barriers when it comes to pursuing higher education. The cash scholarships from ALOE help to alleviate some of these financial burdens, making higher education accessible for more students.

Education is one of the most powerful tools that can create lasting and positive changes for future generations. By donating to ALOE scholarships, you are helping to create a future for our community, one student at a time — and you wouldn't be alone.

Over the years, friends and partners have joined us for many celebrations. The most notable being our annual scholarship banquet, which will be May 4, 2024, at the JW Marriott Starr Pass. Please join us in creating a legacy of excellence in our community by making a donation.

For more information, you can visit our website at <http://www.eeftucson.org/legacy>. You can donate online or mail a check via the information below our signature. We appreciate your consideration and support.

Sincerely,

*Jeffrey Sawyer and Natalie Clark*

Jeffrey Sawyer and Natalie Clark, ALOE Co-Chairs

*Please make checks payable to: Educational Enrichment Foundation, 5049 East Broadway Boulevard Suite 107 Tucson, Arizona 85711. In the memo line indicate: A Legacy of Excellence Scholarship. (Note: Educational Enrichment Foundation is a 501c3.)*
